REISSER PREMIUM PRODUCT

REISSER Hardwood screw

For tropical hardwood

2012-2-9/2

REISSER Hardwood screw

A neat surface – faster

- Milled ridges underneath head create perfect countersunk in wood
- No pre-countersunk required

Secure mounting

- A special bit for secure fixing is included in every package

Guaranteed reliability

- ETA approval guarantees quality

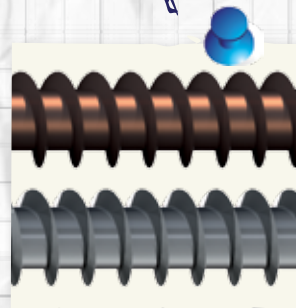

Attractive design

- Extra-small head for ease of fastening (8 mm)

Custom colours on request

Finish in A4 stainless steel uncoated or antique

- Ideal for dark hardwood and discoloured (grey) wood

Ease of inserting

- Anti friction coating reduces resistance when fastening

Suitable for outdoors

- Thanks to A4 stainless steel

Field of application

Tropical hardwoods outdoors

- Outdoor wooden structures
- Terrace construction
- Etc.

Recommendation for handling

- The entire screw length must be pre-drilled

Highlights

- Extra small head (8 mm)
- A4 stainless steel
- Anti friction coating
- Milled ridges underneath head
- A4 stainless steel, antique
